Sponsored by Upstate MEDICAL UNIVERSITY Office of Continuing Medical Education and the International Society of Aquatic Medicine (ISAM)

26 AMA PRA CATEGORY 1 CREDITS™

A SYMPOSIUM ON DIVING MEDICINE

The daily lectures will address pathology seen in dive injuries and dive related deaths, the physical exam to identify risk factors, environmental hazards faced by divers, medications that may increase risk of injury, common travel-related illnesses and the interventions to moderate risks.

Daily Lectures: 7-10 AM (Sunday – Thursday) 4-7PM (Friday) Daily Laboratory Session: 10AM-5PM (Sunday-Thursday) 9AM-Noon (Friday)

Cayman Brac, Cayman Islands

Target Audience: Physician, Clinicians, RNs, PAs, and allied health professionals.

Learning Objectives: At the end of this course attendees should be able to discuss and clinically apply facts relevant to:

1. Diving Safety-issues and gear choice to improve survival in emergencies
2. Hyperbaric medicine- applications, protocols and mechanisms
3. Decompression physiology and pathophysiology
4. Marijuana/CBD oil and diving
5. Anatomic pathology seen in diving accidents
6. Diagnosis and Management of Barotrauma

Keynote Speaker: Paul Martin Asheville, NC

Adjunct Speakers: James Fulcher M.D., Ann- Marie Padilla M.D, Thomas Fralich M.D., Robert Arusell M.D., Bridget Thomas, RN, MSN,

Faculty Disclosure: Drs. Martin, Fulcher, Padilla, Fralich, Arusell and Mrs. Thomas 'none of the planners or speakers have relevant financial relationships with ineligible companies'

Disclosure Policy: To ensure balance, independence, objectivity and scientific rigor in all certified CME activity Upstate Medical University requires that all planners, faculty and individuals in a position to control the content of an educational activity disclose all relevant financial relationships with any commercial interest that might be perceived as a real or apparent conflict of interest. Detailed disclosures will be made in writing prior to speaker presentations.

Commercial Support: No commercial support was received for this educational activity.

Paul Martin, MD

Is our featured keynote speaker and has been our course director for 9 years. Dr. Martin is board certified in Family Medicine and Addiction Medicine. He graduated from University of Arizona School of Medicine and is a leading specialist in Addiction and Occupational Medicine. Dr. Martin is an Associate Clinical Professor with the University of North Carolina at Chapel Hill. Dr. Martin is immediate Past-President of the NC Society of Addiction Medicine and the Southeastern Atlantic College of Occupational and Environmental Medicine. He is a master scuba diver and an advocate of diving safety.

46th Annual Spring Meeting

May 21-28, 2022, Cayman Brac Beach Resort
45 Divers • 26 Hours Category 1 CME

The 46th Annual Spring Meeting will find us at the all-new Brac Reef Beach Resort. Painted with coconut palms, sea grapes trees, and scattered with hammocks, the beautiful tranquil beach of Brac Reef Beach Resort sits at the heart of a multi-million dollar rebuild of our charming Cayman Brac Beach Resort following the devastation of Hurricane Paloma in November 2008. Brac Reef Beach Resort is a charming, family-owned all-inclusive getaway located on four and a half acres of white-sand beach front on the island of Cayman Brac. While Cayman Brac diving is our specialty, Brac Reef caters to divers and non-divers alike. In addition to world-famous Cayman Brac diving, other island activities include snorkeling, kayaking, fishing, tennis, beach volleyball, hiking, caving, rock climbing, bird watching and biking.

Add to this onsite day spa services, a fitness center and a gift shop and you've got yourself one heck of a holiday. Cayman Brac Beach Resort and Reef Divers, the in-house dive operation for the resort, is the perfect pair – the ideal combination of spectacular diving and tropical resort luxury. Three boat dives a day will be offered to our group. Cayman Brac is the middle sister of the three Cayman Islands. It is a coral island, surrounded by reefs and with a population of about 1200 residents. It has changed very little since Christopher Columbus discovered it in 1503. Diving enthusiasts from around the world have been drawn to the unparalleled splendor of the Cayman waters. Cayman Brac is considered one of the world's premier diving destinations.

Diving Highlights Include:

Site of the world's newest wreck dive, the Russian Frigate 356, now named the M/V Capt. Keith Tibbett's. Turtles, Spotted Eagle Rays, Reef Sharks, Nassau Groupers, Moray Eels, Stingrays, Horse- Eye Jacks, Barracuda, Flying Gurnards and more than 100 different hard and soft corals and over 500 types of fish, unlimited visibility...usually 100 to 150 feet...with little to no current warm water... Spring 80 to 84 degrees. Trips to Bloody Bay wall are offered during the week depending on the weather.

Required Equipment: C cards

Responsibility: ISAM. Traveler's Choice, Cayman Brac Beach Resort and Reef Divers assume no responsibility or liability as to the safety quality of conditions, nor for the act of any employee or agent of any establishment, firm, person or entity furnishing such services transportation, equipment, substitution or unperformed services, nor assume any responsibility or liability for the safety of any participating individual while engaged in underwater activities... All trip participants will be required to sign an ISAM/Traveler's Choice liability waiver.
