Sun Breeze Hotel is a U shaped Spanish Architectural design with a touch of the Caribbean surrounded by tropical gardens overlooking the Caribbean Sea.

Belize Central America. Ambergris Caye is the largest island in Belize, and the main destination for travellers to this western Caribbean nation. San Pedro is the only town on the island. Ambergris Caye has been the hub of Belize an area maritime trade for centuries. Fishing, coconuts, and chicle were historic means of islanders support, but the last thirty years have led to a large growth in both the Belize dive and scuba trade, and ecotourism. The rich variety of things to do in San Pedro Town makes Ambergris Caye the gateway to Belize.

Belize has the amazing Belize coral reef system, the second largest in the world and this hemisphere's longest, running offshore, and many cayes (islands of coral sand) are surrounded by astounding reefs to snorkel or scuba dive. The reef lies one-half mile east of the Ambergris Caye shoreline and runs the entire 25-mile length of the island. This has made San Pedro Town the dive and water sports capital of Belize and Central America. Ambergris Caye is justly the most popular attraction to the tourists who come to Belize. The factor that most contributes to this is the unbelievably superb diving & snorkeling conditions. The pace is slow, the people are very friendly, the streets are still dirt and sand and the resorts are small and intimate. The main modes of transportation are golf carts and bicycles. No matter where you go, Ambergris Caye's charm is authentic island – wide. Settle in, dig your toes in the sand, and stay a while
