Hosted by the International Society of Aquatic Medicine

Anse Chastanet, St. Lucia | May 16-23, 2026

Explore, Learn, and Rejuvenate in Paradise!

Join us for an unforgettable week, of medical education, networking, and underwater exploration in the breathtaking island of St. Lucia. The International Society of Aquatic Medicine (ISAM) is thrilled to invite you to our annual conference, where education meets the Caribbean's vibrant reefs and lush landscapes. This event represents the 50th anniversary of the spring ISAM education conference.

Highlights:

- **Medical Education Seminars:** Engage with leading experts in aquatic medicine, attend informative lectures, and participate in hands-on workshops.
- **World-Class Scuba Diving:** Dive into crystal-clear waters teeming with marine life, explore coral gardens, and glide through fascinating volcanic formations.

- **Luxury Accommodations:** Stay at the renowned Anse Chastanet Resort, featuring elegant rooms with stunning views, top-tier dining, and access to secluded beaches.
- **Adventure & Relaxation:** Enjoy activities like scuba diving, snorkeling, hiking the Pitons, spa treatments, and sunset cruises.

Venue: Anse Chastanet Resort Nestled between lush rainforests and pristine beaches, Anse Chastanet offers the perfect blend of comfort and nature. Relax in open-air rooms, savor gourmet cuisine, and unwind with holistic wellness offerings — all just steps from some of the Caribbean's best dive sites.
